

Classroom Times

Teacher: _____ Miss DeBord

Date: _____ March 2010

CURRICULUM

In language arts, we will continue to be working on syllables, short vowels, sentence structure, adding details when writing, word families, spelling high frequency words, retelling stories, and sequencing events.

In math we are going to continue to work on addition, subtraction, time, estimation, and modeling problems.

In social studies, we will learn about maps and even learn how to create our own.

In science we will be learning about plants. We will learn what plants need to grow and the different parts of the plant. We will be planting seeds so we can observe and record their growth.

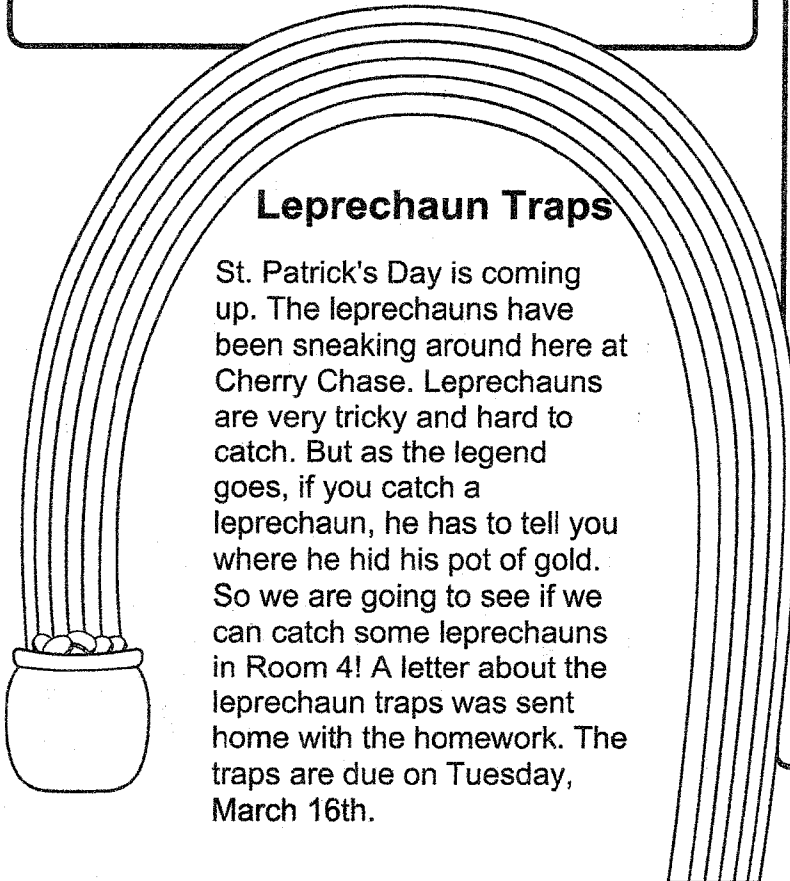

One focus the kindergarten team continues to work on with the students is high frequency words. We want all the students to practice, learn, and know these words and be able to apply them to reading and writing. Please continue to work with your child at home on high frequency words. Here are a few suggestions on how to work with your child at home: read the decodables, use the words in sentences, practice your word rings, sing the songs, etc.

IMPORTANT DATES

- March 3- Field trip to Hidden Villa
- March 5- Morning with mom 7:45AM
- March 9- Teacher Learning Day (12:45 Dismissal)
- March 16- Leprechaun Traps are due
- March 17- International Night at 7pm
- March 22- No School (Staff Development)
- March 25- ELAC meeting at 8:15 in LRC
- March 26- Walk-a-thon

Leprechaun Traps

St. Patrick's Day is coming up. The leprechauns have been sneaking around here at Cherry Chase. Leprechauns are very tricky and hard to catch. But as the legend goes, if you catch a leprechaun, he has to tell you where he hid his pot of gold. So we are going to see if we can catch some leprechauns in Room 4! A letter about the leprechaun traps was sent home with the homework. The traps are due on Tuesday, March 16th.

CITIZEN OF THE MONTH

Congratulations to Soroosh, Stanley, and Natalie for showing tolerance during the month of February. The character trait for the month of March is trustworthiness.
